

The 11th IEEE International Symposium on
System Security, Safety, and Reliability
Anshun, China, April 12-13, 2025

ISSSR 2025

Best Paper Award

Presented to

HEYUAN LI

for the paper titled

A Multi-Phase Resilience Evaluation Method
for Cross-Domain Unmanned Swarms

A handwritten signature in black ink, which appears to read 'Yang Hongji', written over a horizontal line.

Professor Hongji Yang
General Chair

The 11th IEEE International Symposium on
System Security, Safety, and Reliability
Anshun, China, April 12-13, 2025

ISSSR 2025

Best Paper Award

Presented to

HAO LI

for the paper titled

A Multi-Phase Resilience Evaluation Method
for Cross-Domain Unmanned Swarms

A handwritten signature in black ink, reading 'Yang Hongji', written over a horizontal line.

Professor Hongji Yang
General Chair
